I understand that one (1) or more Board of Director terms/positions may be up for election this year and that the candidates receiving the greatest number of votes will be elected to the Board of Directors. Also, that the Board of Directors appoint the offices on the Board of Directors following the Annual Meeting.

I believe I can contribute to the business aspects of the Association and represent all the Association members and the Board. I understand that the Board of Directors is charged with the responsibility of governing the affairs of the Association according to the Articles, Bylaws and Declaration of Covenants and I must fully understand those documents and must not be in personal violation of any part of them. I understand that the Board of Directors must make its decisions based on what is in the best interest of the community, not on the interest of any individual homeowner or group of homeowners, and I believe I can make a contribution to this decision-making process. If the vote does not go my way, I will fully support the Board's final decision. If I am elected to the Board of Directors, I will not use my position to gain personal power or advantages not available to the non-board Association members.
